Sub Revision of scales of pay of Municipal employees in Sidlaghatta Municipality

I have the honour to forward herewith the report received from the President, Municipal Council, Sidlaghatta with his No Mlc 124-1/47-48 dated 27-9-48 on the subject mentioned above and to state that the Municipal Council, Sidlaghatta at their meeting held on 15-6-48 have discussed the question of revision of scales of pay of their employees It may be seen from the resolution of the Municipal Council and also from the proposition statement that the Council have adopted the scales of pay of the two lent officials viz , clerk and Junior Sanitary Inspector as sanctioned by Government for such classes of appointments. The scales of pay of office Daifedar and Octori peons are at par with those of sanctioned for Government employees As regards the Municipal employees, the council have dopted the pay of the Octroi mutsaddi as proposed by me and the octroi watchmen have been proposed to be given Rs 12-1-15 For the remaining menial establishment the council have proposed a uniform increase of Rs each in consideration of the financial oposition of the Municipal Council and the proposals are reasonable

The council have further resolved that the revision proposed may be given to the lent officials witheffect from 1-1-47 and to the Municipal employees from 1-6-47 the extra cost involved being met from the closing balance of the council According to the Budget review for the curr year(48-49) it is seen that the council will have a closing balance of Rs 7839/- at the end of the year and the finances of the Municipality admit the extra cost on this account Further the normal expenditure of the Budget after providing for the scales of pay at the revised rates is within th

normal income. The extra cost from revision will be Rs 1482-12-0 per annum The President, Municipal Council has certified that the proposition statement has been prepared according to the sanctioned strength noted in the scale register of his office.

I request that sanction of Government may kindly be obtain to the proposition statement enclosed in the records.

Subject

Revision of scales of pay of Municipal employees in Sidlaghatta Municipality.

SIR

With reference to your letter No.L.5205 dated 13-11-48 on the subject mentioned above, I have the honour to forward herewith the report received from the President, Municipal Council, Sidlaghatta with his No M.L.C.124/47-48 dated 10th January 1948 and to state that the question was reconsidered by the Council at their meeting held on 4-1-49. They have resolved to further revise the pay of the two octroi watchmen in accordance with the scales of peons obtaining in Government Departments. As regards the revision of pay of the remaining menial establishment, the Council are of opinion that they are not in a position to pay them also at rates sanctioned by Government in view of their poor financial condition The Council after consideration of the financial implications involved in the revision, have proposed to give a lumpsum increment of Rs 2/- in respect of the remaining establishment and this appears to be quite reasonable.

The Council are of opinion that they are not agreeable to dispense with the services of Thoti which are very essential and they also want to continue the temporary establishment. The proposition statement has been corrected in accordance with the resolution of the Council dated 4-1-49. I request you kindly to obtain sanction of Government to the proposition statement, as the revision proposed is based on the financial position of the Municipality.

Yours faithfully,

Deputy Commissioner,
Kolar District.
